Author(s) Agreement Checklist

As corresponding author, please be sure to use this form as a checklist to ensure proper submission of your manuscript. Failure to do so can result in the return of the manuscript without review. Please check off the appropriate responses and submit it along with your cover letter. If you are not able to verify any of these, please describe the reasons in your cover letter.

- I have looked over the Instructions to Authors contained on the *Journal of Asia Pacific Counseling* website (<http://www.japconline.org/ForContributors/01.php>).
- I have attached a separate cover letter that includes the names and contact information of all authors. Inclusion of such information indicates that these individuals have agreed to be an author.
- I attest that this manuscript is not submitted to multiple journals, has not been previously published, nor is in-press material. If applicable, I have provided information in my cover letter about any closely related manuscripts that have been submitted for consideration to the same or another journal.
- Authors reporting research involving human subjects are recommended to indicate whether the research had been approved by Institutional Review Board or similar committee or conducted in accordance with established ethical guidelines. If I have approved my research from Institutional Review Board, I have mentioned relevant information in my cover letter.
- I have prepared the manuscript according to the *APA Publication Manual* (6th ed.) guidelines.
- Permission to reproduce or adapt any copyrighted material from other sources has been obtained and I am able to provide documentation for this permission.
- I have disclosed any information (in my cover letter) about any interests or activities for all authors that might be seen as influencing the research (e.g., financial interests in a test or procedure, funding by pharmaceutical companies for research).
- I adhered to JAPC Ethical Guideline, allowing other qualified professionals to confirm the analyses and results should my manuscript be accepted for publication. All ethical issues with regard to treatment of research participants is examined and actions were taken in accordance with the JAPC Ethical Guideline.
- If my manuscript is accepted for publication, I agree to transfer copyright to KCA per the guidelines on the KCA copyright transfer agreement form : <http://www.japconline.org/ForContributors/01.php>
- I have followed instructions to adequately remove any identifying information of all authors in the manuscript to ensure masked review.
- Explanations of any supplemental materials of the manuscript have been given in the cover letter, in the article itself, and within the supplemental materials.
- If I use the data from this study in any other study(either completed or planned), I have explained how different or independent those studies are.
